**WESTERN AUSTRALIAN WAR MEMORIALS  
ANZAC BLUFF PLAQUE, KINGS PARK  
QUEEN ELIZABETH SHELLS MEMORIAL, KINGS PARK  
LONE PINE MEMORIAL, KINGS PARK**

The three Memorials described in this document encompass aspects of the Gallipoli Campaign that ran from 25 April to 20 December 1915.

**ANZAC Bluff Plaques**

The ANZAC Bluff Plaque is located immediately to the east of the WA State War Memorial and overlooking the Swan River. Its inscription reads:

ANZAC Bluff

This Bluff below the State War Memorial is dedicated to the men of ANZAC who fought and died in the Gallipoli Campaign of 1915

It resembles Ari Burnu where ANZACS stormed the beaches, fought upward and shared grievous losses with a valiant foe

The inscription of the Kemal Ataturk quotation plaque reads:

Those heroes that shed their blood, and lost their lives ...  
You are now lying in the soil of a friendly country.  
Therefore, rest in peace.  
There is no difference between the Johnnies  
and the Mehmetts to us where they lay side by side,  
Here in this country of ours.  
You, the Mothers  
who sent their sons from far away countries ...  
wipe away your tears.  
Your sons are now lying in our bosom and are at peace.  
After having lost their lives on this land, they have  
Become our sons as well.

Mustafa Kemal Ataturk (1934)  
President of the Republic of Turkey  
Commander of the Turkish Forces in Gallipoli

to  
King's Park, Perth, W.A.  
by  
Earl Beatty,  
Admiral Of The British Grand Fleet 1916 – 1919

The Battleship HMS Queen Elizabeth provided covering gunfire to support operations at ANZAC Cove.

**Lone Pine Memorial**

The Lone Pine Memorial is located on Fraser Avenue and its inscription reads:

Lone Pine  
  
This Aleppo Pine (*Pinus halepensis*)  
Was planted to signify the Lone Pine that once stood at Gallipoli.  
  
Planted by His excellency Lieutenant General John Sanderson AC  
Governor of western Australia  
To commemorate the 90<sup>th</sup> anniversary of the  
Battle of Sari Blair, Gallipoli.

Lest We Forget

This document shows the Western Australian-enlisted Gallipoli Roll of Honour in chronological order. The total Australian casualty count is about 10 times larger, the New Zealand count is about 4 times larger, while the British (including many soldiers recruited from India), French and Turkish losses greatly exceed that for the ANZACs. The ANZACs occupied an area of less than 6 square metres and the maximum distance from the shore to the front line was about 900 metres.

Places of Association from the Australian War Memorial (AWM) Roll of Honour are shown. Further biographical and Service information for each Soldier may be found on the National Archives of Australia, the AWM and the Commonwealth War Graves Commission Websites.

**18 December 1915 ANZAC  
Evacuation Begins (completed  
20 December)**

For Soldiers enlisted from WA, there were no further deaths from wounds in the months succeeding the evacuation. However, for many Soldiers, the lingering effects of their experience of the Gallipoli Campaign resulted in a diminished quality of life and in some cases, premature death.

**Further Information**

The detailed history of Australian operations in the Gallipoli Campaign can be found in Volume 1 (AWM Website) <https://www.awm.gov.au/collection/C1416845> (events to 4 May 1915) and Volume 2 <https://www.awm.gov.au/collection/C1416846> (events from 4 May 1915 to the evacuation) of the Official History of Australia in the War of 1914-1918.
