**WESTERN AUSTRALIAN WAR MEMORIALS
CONGREGATIONAL CHURCH (MINNAWARRA)
ARMADALE WA
HONOR BOARD - THE GREAT WAR 1914-1918**

This list of names is taken from an online image of the wooden Honour Board reported located in the Congregational Church (Minnawarra) in Armadale, Western Australia. The word Honour is spelt without the letter "u" on the Board. The Board lists initials and family names in the order shown. Additional information has been added to include full first names, Regimental Number and cause and date of death, or date of discharge. All Members served in the Australian Army.

The locations shown in brackets after some names indicate the Place of Association given on the Australian War Memorial Website; consequently these are the only Members listed by the AWM. However, the Service History of all Members is available on the National Archives of Australia Website.

The Board also shows asterisks before the names Serls E W, Lockhart C H, Bingham A H, Turner H W and Woodard T and asterisks after Serls E W, Aspinall G H, Skewes N L and Tuner H W - no explanation of their meaning is shown on the Board.
