LAST MONTH'S GUEST SPEAKER:

The ninety three members and guests who attended our June meeting were treated to a very interesting talk by Brian Edwards when he spoke about his epic flight from Binbrook aerodrome in England to Australia in his 1943 Tiger Moth "Matilda". While Brian's talk was limited in time due to longer than usual introduction of guests, he still managed to capture the immensity of his achievement in the time allocated. He related some of the difficulties, dangers and highlights of the journey, a journey which he undertook to honour the memory of his father (who lost his life in World War 11), and to raise funds for Legacy. At the conclusion of the meeting, Brian took time to autograph copies of his book "The Maltilda Mission" which sold like "hot cakes". All proceeds from the sale of this book are donated to Legacy. This resulted in Legacy receiving the goodly sum of four hundred and forty dollars (\$440) towards their funds.
